Why did you say yes to coming today?

What are the tensions that are real and live for you?

...and let endurance have its full effect.

Oda a la Cebolla

Pablo Neruda

....Along the hard road home...

You made us weep without suffering.

[We] praise every living thing, onion,

but [to us] you are

more beautiful than a bird,...

to my eyes you are a

heavenly balloon, a platinum cup,

a beautiful dance.

The fragrance of the earth is alive because of

your crystalline and everyday nature.
